BACKACHE IS A WARNING

Hopkinsville People Should Not Neglect Their Kidneys.

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read Hopkinsville testimony.

Mrs. Bert Blakemore, 1117 S. Main St., Hopkinsville, says: "I had pain, nagging backaches and felt languid. My kidneys were not acting right at all. I heard of Doan's Kidney Pills and after taking them my back was strengthened and my kidneys regulated. I know Doan's Kidney Pills are a good remedy and gladly recommend them."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Blakemore had. Foster-Milburn Co., Props., Buffalo, N. Y.

The Kind.

Willis—"What kind of a time did you have at Bump's last evening?" Gill—"Very uninteresting. I couldn't understand anything they said to their baby or anything the phonograph played or anything that my wife whispered to me behind their backs."—Judge.

Mrs. John Drew Better.

McLeansboro, Ill.—"About five years ago," says Mrs. John L. Drew of this place, "I was afflicted with pains and irregularity every month. I suffered continually, was weak and dependent, and unable to do my housework. I took Cardui, and in one month, I felt like a new woman and worked hard all summer. I am now in perfect health, and recommend Cardui to all suffering women." Every day, during the past 50 years, Cardui has been steadily forging ahead as a result of its proven value in female troubles. It relieves headache, backache, womanly misery and puts fresh strength into weary bodies. Try it.—Advertisement.

Old Prussian Town.

Osnabruck is one of the most venerable towns of Prussia. In the closing years of the eighth century Charlemagne designated it as the capital of a bishopric, a distinction which it enjoyed without interruption for more than a thousand years. In 1803 the see was suppressed, the last bishop being Frederick, duke of York, son of the English Hanoverian monarch, George III. In 1808 the city was restored to its religious eminence when it was again made the seat of a Roman Catholic bishop.

A clear liquid, cleaner than musky plasters or ointments, it does not stain the skin or clog the pores. Wise Dog.

A hound and a poodle were chatting together. Suddenly the poodle said: "I wish we were like the dogs of Africa." "Why?" asked the hound. "The dogs of Africa are so strong they can attack a lion," said the poodle. "But do they gain the victory?" asked his friend. "Well," said the poodle, "I cannot say they do. But fancy being able to attack a lion!" The hound looked wise. "If they attack and don't win, all I can say is that they're very little stronger, and certainly much more foolish than we are."

NOT MEASURED BY YEARS

Foolish Idea That Life Is Made Real and Full When Century Mark Is Reached.

There is a certain fascination about living a century (a fascination that easily leads to falsification). The glory of the achievement sheds luster on the remotest connections, so that there is always someone to boast of the feat, and it is one of the few ways in which any old person who can last out may bring fame to posterity. Charles Henry Lerrigo, M. D., writes in the Outlook.

"It ain't a much 'at she died, doc," sobbed one old man at his mother's bedside. "She was old an' didn't know nothin' no more, an' she had to go some time. But jes' to think five weeks more would ha' made her a hundred! Clost as that, an' then to have all them years o' care go for nothin'!"

Absurd, of course! As a matter of fact, there is no special reason for setting up the century post as a goal. As Prof. Irving Fisher has pointed out in his famous "Report on National Vitality," the most important dimension of life is not length but breadth. There is little gain in the burdensome dragging of a life that is already spent.

Lucky is the man who marries a good cook, for he may find that his wife is able to bake the kind of pies his mother tried to make.

Japanese Claim Credit for Fan.

Japan takes credit for the folding fan. The original kind was of the palm-leaf variety—an oval or round shape which could not be folded. But Japan conceived the idea, just when or how nobody knows, of fastening half a circle of paper on a frame made of sticks fastened together at one end—and the collapsible fan resulted.

For High Class Printing Come Here

THE KENTUCKIAN FOR 1917

EVER since the year 1868, the HOPKINSVILLE KENTUCKIAN has been published under one name or another. In 1879 the present name was given and the present management took charge of the paper, which is now in its 39th volume. For almost 40 years it has been a faithful exponent of the growth and development of the city and county. It has written in its files a history of the county covering that long period. It has recorded the birth of three generations in some instances. It has seen the small town develop into a prosperous city with its people ever looking forward to greater things.

During all these years it has had a loyal and constant patronage from the best people of the county. It has many subscribers whose names have not been off its subscription lists in 39 years. In many other families, sons have taken their father's places. We would be ungrateful not to appreciate support like this, but we have never come to the reading public with a stronger appeal for patronage than this year. Conditions have greatly changed and paper stock is three times as high as a year ago.

Many newspapers have advanced rates but in order that the circulation may not be lessened by a higher price the KENTUCKIAN will still be sent for \$2.00 a year, the old price. It will be necessary though to adhere rigidly to the cash system, since more than \$1.00 must be paid in advance for the paper upon which we print 156 papers and the cost of printing leaves but little profit out of the second dollar. We are asking our old subscribers to stand by us in this crisis by renewing promptly.

All papers not paid for will be Stopped.
Don't Let Yours Stop.

The Price Will be the same \$2.00 a Year
as heretofore,
